

ALFREDO ROMERO GUZMÁN

TAREA 2 C

GRUPO 1108

Vamos a correr un programa con el letrero HOLA MUNDO!

The image shows a screenshot of a code editor window titled 'objeto tarea 2c.c'. The code contains the following C program:

```
#include <stdio.h>
#include <conio.h>

main()
{
printf ("HOLA MUNDO!!!");
getch ();
}
```

Below the code editor, a terminal window is visible with the path 'C:\Users\ALFREDO ROMERO G\Desktop' and the output 'HOLA MUNDO!!!_'. The output text is displayed on a black background.

Aquí está la imagen.
